Hobbies

Spending time in nature, I love hiking in the mountains, I have had several trips in Ukraine and Poland and look forward to explore Canada's reach and beautiful nature.

Books, are my great passion, I love to read non-fiction literature as well as fiction. My favorite books are "Sapiens" by Yuval Noah Harariand "Thinking, Fast and Slow" by Daniel Kahneman.

Sport, I'm a big fan of European football. I regularly go to the gym and play tennis. Also I used to go to swimming and karate
